

Concerned about financing the cost of a Mount St. Mary Education? *Let us help!*

At Mount St. Mary Academy, we understand that all families' financial circumstances are unique. That's why we are committed to offering a broad range of financial assistance opportunities, from tuition grants to scholarships and work study, in order to make a Mount St. Mary education an affordable option for more students with a demonstrated need and interest. **In fact, \$495,000 in financial aid was awarded to Mount St. Mary students during the 2021-2022 school year.**

HELPFUL TIPS TO APPLY FOR FINANCIAL ASSISTANCE

1. Don't assume you won't qualify for any need-based aid.

You'll never know if you don't apply! Additional criteria may be considered for a number of scholarships, so your chances may be better than you think. The Financial Aid Application is easy and completely confidential. Other than the \$35 application fee to get the process started, you've got nothing to lose by applying.

2. Get the FACTS about how your financial need is calculated.

The Financial Aid Application is made using FACTS Grant & Aid Assessment, an online application (online.factsmgt.com) that takes into account your family's income, core expenses like housing and utilities, and other expenses like college tuition or elder care. The FACTS application requires a federal tax return and W-2 from the 2021 tax year, so plan to file your taxes in January or February this year.

3. Help us HELP YOU with early application.

Mount St. Mary Academy met 57% of the demonstrated financial need during the 2021-2022 school year. The amount provided each year is based on the funds available and the total amount of need for all families, so it is important that you meet the cutoff deadlines.

Families applying for aid will be required to pay \$100 of the \$550 enrollment fee by the February 28 deadline. Because all information on the pool of applicants is not available until after all FACTS Financial Aid Applications are completed and verified, we will communicate by May 27 your expected amount of financial aid. If you choose to accept the amount of aid offered to you, the remaining enrollment fee will be factored into the total financial aid package and invoiced through FACTS Tuition Management in June.

4. Talk to us!

We want to make Mount St. Mary Academy a reality for you and your family, and we're here to help you through every step of the process. Please let us know how we can best assist you!
